Understanding MIYO

THE **PURPOSE** BEHIND OUR PROCESS

MIYO
ᒥᔦᐃᒧᐣ

Our goal is to serve as many kids as possible while keeping programs high-quality and safe and ensuring we have enough staff, food, and other materials. Here are the steps to apply for after-school pathways programming at MIYO.

STEP 1

Seasonal Application

Every child needs a short, one-page seasonal application so we can plan for MIYO programs. If your child has attended before, we can complete it over the phone. Special classes, clubs, and camps will have their own sign-up forms and offer even more ways for kids to participate.

STEP 2

Contact Verification

After the seasonal application is complete, you will receive a phone call. This call is a critical part of the process to confirm emergency contacts, get to know your family, and learn more about your child. We will also confirm each child's start date or waitlist position and share onboarding information. Children cannot begin after-school programming without completing this step.

STEP 3

Full Registration Packet

Guardians need to fill out the full registration packet for each child. You can do it online or on paper, and the MIYO front desk is happy to help. This is also where we collect release forms and gather any additional information for MIYO participation. This helps us collect releases for field trips, media, etc., as well as additional information regarding the child.

STEP 4

Wait List

MIYO after-school programming has a set number of available spaces. These numbers depend on adult-to-youth ratios and whether additional support measures are needed for each child.

Once we've reached the limit, children will be added to the wait list in the order applications are received. We will do everything we can to keep the wait list as short as possible. If we cannot place them in after-school programming, we will have many other classes, camps, and clubs available. We will work to get them participating at MIYO as soon as possible!

MIYO Updates

To stay up to date on MIYO programs, applications, and more, check the Playground app and Facebook at @MIYOYouthCenter. You can also call us at 406-395-1866 or email Emily Kallenberger at ekallenberger@rbclinic.org.

Thank you for your patience and support as we continue to build MIYO programming that is safe, organized, and welcoming. **We encourage new families to apply and will do everything we can to make room for as many youth as possible.**

We can't wait to see your child at MIYO!

All applications are processed and approved in the order they are received.

You can fill out the application here.
